*Oberlin Rotary Club membership represents a cross-section of the community’s business and professional men and women. The club is nonpolitical, nonreligious, and open to all cultures, races, and creeds. The main objective of Rotary is service – in the community, in the workplace, and throughout the world. Rotarians develop community service projects that address many of today’s most critical issues, such as children at risk, poverty and hunger, the environment, illiteracy, and violence. Rotary also supports programs for youth, education opportunities and international exchanges for students, teachers, and other professionals, and vocational and career development. The Rotary motto is **Service Above Self.***
